The pain was so horrible that she d have to get better to die. Maybe it was better this way. Maybe death would end the tremendous grief in her heart. At least in death she wouldn t have to listen to her sister Cora s constant harping. Gideon and his dragon counterpart Ominia weren t sure how to handle Gracie. She was their mate and they were happy to have found her, but her intense grief over the loss of her family had them stumped on how to proceed. The encounter with the griffin had more effect on Gracie than she knew. His magic now flowed within her. Gracie could now see and speak with the dead, and the former king, Anthony had a message for the new King of Dragons, Asher. Now thrust in a world of dragons and magic, Gracie s head was spinning. And how was she to handle two very handsome and amorous mates? Things like that just didn t happen to her.
