Methuen Publishing Ltd, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book. Hi! I m Victoria Wood and I ve proved that playing the piano and singing songs very inaccurately can help you to lose weight and more importantly keep that weight off on a permanent basis. No calorie counting! No faddy restrictions! No weird combinations! Just sing songs at the piano for several hours a day, then drink eight pints of distilled water and lock yourself in the lavatory. Try it! It worked for me.
