## BEYOND DIVINE COINCIDENCE

Kassel University Press Dez 2015, 2015. Buch. Condition: Neu. Neuware - During the so-called Great Moderation the variability of output, employment and inflation declined substantially in most of the major economies. Because of this positive co-movement the ultimate objective of monetary policy was clear. By stabilizing inflation output will also stay at its potential and the central bank does not face any trade-off between its targets - a situation known as the divine coincidence. With the onset of the financial...
