Hodder Stoughton General Division, United Kingdom, 2006. Paperback. Condition: New. UK ed.. Language: English . Brand New Book. Horse addicts come in all shapes, sizes and guises but are easily recognisable as a breed. They never have food in their fridge, they forget to go shopping and live on junk. Their horse on the other hand has special supplements for all its needs and its feed is agonised over, carefully chosen and measured to ensure optimum nutrition for its workload. Addict and non-addict can live in beautiful harmony if the right balance is achieved - it is easiest to develop your stable hand skills and be grateful the horse is too big to share the bed with you. Lovers of cat and dog addicts aren t so lucky!.
