Reviews

This type of publication is almost everything and helped me looking forward and much more. I am quite late in start reading this one, but better then never. You wont really feel monotony at whenever you want of your own time (that's what catalogs are for relating to if you ask me).

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Captain Jorah is notorious for being one of the youngest explorers to ever sail Zephyrian waters. He's also notorious for landing his crew in situations they hadn't counted on-situations involving cannibalistic mermaids and other dangerous misadventures. When Jorah decides to search for the legendary underwater City of Larimar, he doesn't account for the adventure that follows. Rescued from shipwreck by a mysterious young lady who walks on water and carries a singing sea shell around her neck, he soon finds himself reunited with an old friend once thought lost to him. Before he knows it, he's caught up in a race against time to save her yet again-as well as her people-before a dark prophecy can complete itself. This story was beautiful, a little dark, and magical. I loved all of the elements that were incorporated into the telling, and I highly recommend reading this. It was completely original and extraordinary. Jennifer R Ricketts, Goodreads . .it was truly a fascinating tale. Adventure into a mythical land for a friend he made long ago, this hero shows just how noble one can be and how strong friendships are, no matter the amount of years gone by. Alegna, Goodreads *Note to readers: 25 of all profits goes to ALFA, a charity helping adults with autism and other developmental disabilities in Southern Illinois live more full and abundant lives!*
