

## Stewardship: Lessons Learned from the Lost Culture of Wall Street

By John G Taft

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. A compelling argument for why stewardship of wealth and service to others should be our highest financial priority. Stewardship is the journey of financial insider John Taft toward understanding and affirming the importance of stewardship which he has come to define as serving others as a core principle for the financial services industry, the global financial system, and society at large. By defining the attributes of authentic stewardship, this book presents a path forward by analyzing the success of Canadian banks in weathering the financial crisis; evaluates the effectiveness of global financial reform efforts in making the financial system safer, sounder, and more secure; offers wealth management prescriptions for individual investors; evaluates the potential of ESG (environmental, social, and governance) investment processes as a way to instill stewardship behaviors among corporate CEOs (particularly at financial services firms); and ultimately, calls for a return to stewardship s core principles as the key to not only minimizing the scope and consequences of future failures, but also to addressing other societal challenges. Argues for a return toward stewardship, with financial services companies doing right by their customers.Analyzes the response...
