Upon sensing that this life had more in store for me than playing football, I began praying, practicing various forms of meditations, such as yoga, and reading a variety of spiritual text, including the Bible, the Tao Te Cheng by Lao Tzu, the 72 Names of God by Yehuda Berg, and Freedom from the Known by Jiddu Krishnamurti to list a few. I also began to change the way I eat, as I am now a Vegan. While growing up in the United States of America, I was raised by a society based on competition, and I thrived as an athlete who reached the highest levels. But while seeking a new path of spiritual enlightenment, I now realize that it is by competing solely with self that One is able to attain Ones best self and fulfill Ones spiritual purpose by giving Ones best to Our global team On Earth, Our global family. While I reside On Earth, I continue to make personal changes based on learning to live a lifestyle thats best for anyone, a lifestyle thats best for the globe itself. Like Gandhi taught Us, I live to be the change that I would like to see around the globe. And through the pages of this book, I am able to communicate loving changes, while I also spend time in the community teaching and coaching. This item ships from multiple locations.
