LUCKY ME

Random House USA Inc, United States, 2006. Paperback. Book Condition: New. 198 x 132 mm. Language: English . Brand New Book. Julie Berman seems to have it all: a beautiful home in suburban New Jersey, a loving husband, a budding career as a freelance journalist, and two great kids. Little do the neighbors know that behind the facade, Julie is beginning to feel like her world is falling apart. Among her worries is a nagging fear that she's turning into her mother--just as neurotic, just as crazy, and just as consumed by appearances. Then there's the handsome, charming, single, and very tempting editor at the local newspaper who has definitely taken a shine to her. Add to that her moody, monosyllabic teenage son, who may or may not be having sex with a new girlfriend. But the final blow to her sanity comes in the form of a phone call from her daughter, who informs Julie of her plans to run off with her new boyfriend . . . who's also her college professor. *Lucky Me* is a journey into the year when Julie realizes that there are some things beyond her control, especially the people she loves. Wise, irreverent, tender, and funny, *Lucky Me* is for every woman who has ever felt--despite her most valiant efforts--less than perfect. Look for the Reader's Group Guide at the back of this book.
