

## Objects, Agents, and Features: International Seminar, Dagstuhl Castle, Germany, February 16-21, 2003, Revised and Invited Papers

By -

Springer. Paperback. Condition: New. 232 pages. Dimensions: 9.1in. x 6.1in. x 0.6in. In recent years, concepts in object-oriented modeling and programming have been extended in several directions, giving rise to new paradigms such as age-orientation and feature-orientation. This volume came out of a Dagstuhl seminar exploring the relationship between the original paradigm and the two new ones. Following the success of the seminar, the idea emerged to edit a volume with contributions from participants including those who were invited but could not come. The participants' reaction was very positive, and so we, the organizers of the seminar, felt encouraged to edit this volume. All submissions were properly refereed, resulting in the present selection of high-quality papers in between the topics of objects, agents and features. The editors got help from a number of additional reviewers, viz. Peter Ahlbrecht, Daniel Amyot, Lynne Blair, Jan Broersen, Mehdi Dastani, Virginia Dignum, Dimitar Guelev, Benjamin Hirsch, Maik Kollmann, Alice Miller, Stephan Rei-Marganic, Javier Vazquez-Salceda, and Gerard Vreeswijk. Finally, we would like to take this opportunity to thank all the persons involved in the realization of the seminar and this book: attendees, authors, reviewers, and, last but not least, the staff from Schloss Dagstuhl and Springer-Verlag. February 2004 The...

### Reviews

*This type of publication is almost everything and taught me to hunting ahead plus more. It is written in easy terms rather than difficult to understand. Your way of life period will likely be transformed once you comprehensively look at this ebook.*

-- **Gladyce Reinger**

*Without doubt, this is actually the best job by any publisher. It is written in basic phrases instead of difficult to understand. You will like the way the author publishes this publication.*
