Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Dawne Dominique (illustrator). Language: English . Brand New Book ***** Print on Demand *****. Prehistoric creatures have again invaded Crater Lake National Park .and this time there s more than one. DINOSAUR LAKE II: Dinosaurs Arising by Kathryn Meyer Griffith Henry Shore has been Chief Park Ranger at Crater Lake National Park for thirteen years now and thought the days when he d had to fight a rogue dinosaur that lived in the caves below the lake were long over. Until one of his park rangers, to save a visitor s life, is in a deadly struggle out in the woods with a new breed of dinosaur worse than the last one. It s as big as a man, but this one is a young one. And growing. Then more of the creatures begin to show up everywhere, threatening people and destroying the tranquility and safety of his beloved park. A tourist trolley filled with fifteen people is snatched up off the crater s rim by another version of the younger one.but this one has grown into a giant with fangs, claws and a deadly tail. And this one has wings. Ugly Gargoyles, Henry calls them. For this one isn t alone. They re flying beyond the park s boundaries into the neighboring towns. So Henry, with the help of his son-in-law, a paleontologist named Justin, and a band of brave park rangers, and a few good soldiers, must not only protect his park and his people from monsters once more but find their lair and destroy it and them before the creatures kill again. ***.
