OCLC Number: (OCoLC)53397523 Subject: Homeless children -- Education -- United States. Excerpt: . . .

TransportationProviding in-school and related services Outreach to youthWhen children and youth move frequently, attending school is difficult for many reasons. There are challenges for students and challenges for the school districts, schools, and even states working to serve them. Strategies aimed at five of the most common challenges are detailed in this guide: Awareness Raising State coordinators of homeless education programs report that many educators, as well as members of the general public, remain unaware of the serious consequences of homelessness for school-age children and youth. As one coordinator observed about homeless students, . . . these students are 7 invisible--they do not exist. In order to identify, enroll, and educate homeless students, the general public and district and school staff at all levels and in all capacities need to understand the rights and needs of homeless students and their families, as...

Reviews

A must buy book if you need to adding benefit. I am quite late in start reading this one, but better then never. Its been designed in an exceptionally easy way in fact it is only after i finished reading this publication where in fact modified me, alter the way in my opinion.

-- **Prof. London Gerlach**

Simply no terms to explain. I am quite late in start reading this one, but better then never. Its been written in an remarkably easy way and is particularly merely soon after i finished reading this book where basically changed me, affect the way i really believe.

-- **Prof. Jedediah Kuhic DVM**
