THE GIFT WITHOUT BORDERS: MY HEALING JOURNEY (PAPERBACK)

Michael Ray King Publishing, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A week before leaving on a big Florida vacation with her best friend Kristy, Sherry Hardt received the news of an aneurysm in the center of her brain. That s when she made a decision. As a student of hypnosis and self-healing, Sherry resolved that she would channel her own inner powers and prayer to heal herself. So, rather than being bogged down with worry and fear, she went on that vacation anyway, with a solemn vow that she and Kristy s focus would not be on illness but laughter and joy. One month later when Sherry had interactive brain mapping surgery while awake, doctors found that the aneurysm had miraculously disappeared. Part inspirational memoir, part manual for self-healing, Sherry Hardt brings you along on her joyful journey of recovery, sharing not only the research sharing not only the research that backs her claims, but also the exact techniques she uses to help herself and her clients heal. Since her experience, Sherry has become a certified hypnotherapist and Reconnective Healing Foundational Practitioner and dedicates herself to teaching others that they too can heal themselves.
