Purdue University Press. Paperback. Book Condition: new. BRAND NEW, **Creating Moments of Joy (4th)**, Jolene Brackey, Jolene Brackey has a vision. A vision that will soon look beyond the challenges of Alzheimer's disease and focus more of our energy on creating moments of joy. When a person has short-term memory loss, his life is made up of moments. But if you think about it, our memory is made up of moments, too. We are not able to create a perfectly wonderful day with someone who has dementia, but it is absolutely attainable to create a perfectly wonderful moment; a moment that puts a smile on their face, a twinkle in their eye, or triggers a memory. Five minutes later, they won't remember what you did or said, but the feeling you left them with will linger.
