Fast Track Your Recovery from a Total Knee Replacement: : How to Eliminate Pain and Pain Medicine the Quickest Way Possible (Paperback)

By Michelle Stiles

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Help yourself to a speedy and minimally painful knee replacement recovery. This easy-to-follow book is the result of clinical physical therapy practice in 5 states with hundreds of knee replacement patients over the course of 20 years. Despite most patients getting very similar information instruction and exercises, there is a large amount of variability in speed of recovery and perceived difficulty of the recovery process. This book helps you understand and avoid the 5 major pitfalls that ensnare most knee replacement patients and provides you with an easy to use system that leads you through an accelerated path of recovery safely with the least amount of pain and pain medicine possible. Potential patients in the 40-64 year old category should especially seek the strategies encompassed in this book. The current rehabilitation system was created 20 years ago to cater to retirees. Now, many patients have only a narrow time frame to complete their recovery before having to get back to work. Find out how to avoid burning valuable PTO time and wasting money on extra high co-pays for therapy services...

Reviews

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
