Reviews

A really great publication with lucid and perfect reasons. I have read through and i am confident that i am going to gonna read yet again yet again down the road. It is extremely difficult to leave it before concluding, once you begin to read the book.

St. Martin s Press, United States, 2015. Paperback. Book Condition: New. 188 x 104 mm. Language: English . Brand New Book. The Classic Novel of Naval Aviation This is one of the best novels ever written about the Vietnam experience. It s all here-the flying, the dying, the blood and bombs and bullets, and the sheer joy-and terror-of life at full throttle. GRIPPING.SMASHING. ? The Wall Street Journal Grazing the Vietnam treetops at night at just under the speed of sound, A-6 Intruder pilot Jake Cool Hand Grafton knows exactly how precarious life is. Landing on a heaving aircraft carrier, dodging missiles locked on his fighter, flying through clouds of flak-he knows each flight could be his last. Yet he straps himself into a cockpit every day. EXTRAORDINARY! - Tom Clancy Then a bullet kills his bombardier while they re hitting another suspected truck depot. Jake wonders what his friend died for-and why? Hitting pointless targets selected by men piloting desks just doesn t make sense. Maybe it s time to do something worthwhile. Something that will make a difference. SUPERBLY WRITTEN. ? Washington Times Jake and his new bombardier, ice-cold Tiger Cole, are going to pick their own target and hit the enemy where it hurts. But to get there and back in one piece is going to take a lot of nerve, even more skill, and an incredible amount of raw courage. Before it s over, they re going to fly into hell.
