Pan MacMillan, United Kingdom, 2012. Hardback. Book Condition: New. John Kelly (illustrator). Illustrated edition. 262 x 236 mm. Language: English . Brand New Book. This book is a light-hearted, yet highly informative study of two of the most natural human resources in the world -- poo and wee. Throughout history, the products of our bladder and bowels have helped us to build houses, wash and dye our clothes, fertilize crops, treat illnesses, solve crimes, control pollution and create fuel, energy and explosives. These pages show you how, and tell you some fascinating stories at the same time. Illustrated with brilliantly fun artworks and endearing characters, you ll be entertained by wizards using magical urine , soldiers fighting with exploding piles of dung, wee-wielding beauty therapists and much more.
