A Unique Book that Captures the Full Beauty of Nature and the Human Spirit. Stirring images and piercing poetry come together in this gorgeous collection from the multitalented Mac Kenney. Here are 20 vibrant color photographs that evoke the full range of human emotions, set against powerful verses on love, life, and the beauty that surrounds us. Ponder the mysteries of existence from a single lonely bench; reflect on what really matters as the sun drops beneath a brilliant red horizon; and examine the incredible diversity of life on our planet as you gaze on nature s wonders.
