Createspace, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In the realm of vampire fiction, we meet dangerous, romantic, exotic beings - in a word, they re extraordinary. But what if a perfectly ordinary person became a vampire? Would his undead existence be . ordinary? Hardly. THE VAMPIRE IN FREE FALL takes us on a roller-coaster ride of adventure as our ordinary night stalker finds himself caught up in espionage, murder for hire, grand theft and bloody revenge. The dangers of his tour as a soldier in Vietnam quickly pale against the car chases, street fights, burglaries and contract killings of his new life as a blood-drinking assassin-spy. Whether he can escape his human handlers and attain freedom, peace of mind and the love he craves is another matter. But never is this vampire s life merely ordinary. Jim Hull - author of Are Humans Obsolete? - brings a unique approach to the vampire thriller, taking us from Saigon to the outer planets, from the 1960s to the twenty-third century, from a war in the jungle to battles in space. It s part hard-boiled, part sci-fi, part dark comedy and all excitement, a tale that ll keep you in its grip. It will appeal to anybody who enjoys vampire books . . . I m gonna hate myself in the morning but I need to keep reading!.
