### Reviews

*It is just one of my personal favorite books. I was able to comprehend every little thing out of this published e-publication. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Profile Books Ltd. Paperback. Book Condition: new. BRAND NEW, Free Lunch: Easily Digestible Economics, David Smith, The economy has never been so relevant to so many people as it is now, and it's vital that we understand how it affects our lives. 'There's no such thing as a free lunch' is the one phrase everyone has heard from economics - not even for bankers. But why not? What does economics tell us about the price of lunch - and everything else? Free Lunch makes the economics pages of the newspaper intelligible and addresses the concerns that worry us all. It will enable you to understand - and challenge - the claims made by politicians Set out like a good lunch-time conversation, the book will guide you through the mysteries of the economy. Your guides will be some of the greatest names in the field, including Smith, Marx and Keynes. This clever and witty introduction to economics costs less than even the cheapest meal. It is essential reading in these times of economic uncertainty, and is far more satisfying than even the most gourmet banquet.
