The ebook is great and fantastic. We have read and i also am sure that i am going to likely to go through once again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

HE HEARS ME!: PERSONAL DISCOVERIES IN PRAYER

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Do you struggle with prayer? Some people don't. They seem more mystically wired or something. They can't explain how to pray because it comes very naturally and intuitively to them and they just do it. As a result, they aren't very helpful in coaching someone else. Others, for whom prayer does not come easily, have had to learn how. They have had to break prayer down to its component parts and analyze everything. These people often make good coaches. They can relate to your struggles with the subject or task. They say things like, Yeah, I had trouble with that too, until I realized this. And then they show you the secret and you too can become successful. Richard Nash is someone who hasn't found prayer to be easy, natural, or intuitive and has therefore had to learn specific lessons about how to pray over his forty years of walking with God. He has had to analyze and ponder the lessons of prayer. Filled with thrilling true stories of answered prayer, this book conveys the author's personal discoveries and lessons learned to those who desire to improve their relationship with God. Come learn how to have an exciting and fulfilling life of prayer! -----
----- The principles of prayer taught here are practical without being mechanical, and Nash's constant emphasis on prayer being relationship with God keeps it from being a how-to book. When he shares a truth, he brings balance without diluting its meaning. His personal candidness, honesty and transparency made the book more believable. I hope many will have the opportunity to read, He Hears Me!, because when they do...
