In this, their first adventure, Red Dog Sun, the kids discover an amazing new friend who jumps right out of Native American folklore into real life! They never would have imagined their new friend might be a life saver. An excerpt: The kids were all left standing there, staring off into the forest. The only noise was a light wind rustling through the trees. It sounded as if all of the trees; the birch, the maples, the oaks, were all applauding what had just happened in their presence. Even the pine trees swayed gently to and fro, bowing in approval. Red Dog Sun has a fun puzzling dimension, that will pull you in and make you feel as if you are right there with The Kids. Enjoy being a part of their adventures! The Kids love to learn about new things, and they will inspire the curiosity in you and your sense of adventure as well.
