When I was younger, I used to pray that God change this one and that one so that I could be happy or have peace. Now, I know that God isn't going to change the world because I'm in it. He put ME here to make this world a better place to live in. It's not God's job to change people for me. It's MY job to be the change that's needed here. When I pray, I don't ask God to change people to accommodate me anymore because whether people want to live right or treat me well doesn't affect the peace, joy and contentment I feel inside. They can misbehave, curse me, lie on me, talk about me, be fake towards me, and attempt to hurt my feelings, it doesn't faze me. People are people and they will stay that way until kingdom comes. I have enough wisdom NOW that I know that I don't need the people I cross paths with to be good or be good TO me in order for me to be happy....

This ebook will be worth acquiring. It is actually written in basic phrases instead of hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.
