THE SCRIBBLINGS OF G.OD

Lulu.com, United Kingdom, 2013. Paperback. Book Condition: New. 210 x 148 mm. Language: English . Brand New Book ***** Print on Demand *****.What do you do when you have a lot of time on your hands? What do you do when you really have Been there, done that? When you are a Deity you have a lot of time on your hands, in fact you have all of existence to do everything so you probably have. Eventually however the time comes in everyone s existence to put pen to paper and share your thoughts, experiences and knowledge to all around you. These are the thoughts and scribblings of G.od. The questions are these actually words and thoughts as written down by God or the insane gibberish of a slightly unhinged man? The only evidence is that these words were taken directly from large stone tablets found hidden on a mountain lost for generations and now made available to the whole world in an easier readable format as large sandstone tablets make for uncomfortable bedtime reading.
