Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The theme through out this book is my crusade to promote spirituality and denounce atheism! By Devine intervention and a proposed Holy Grail Equation of Physics I prove that spontaneous existence is impossible., I would awake often to creative thoughts that would bring me to my station to jot down notes of a Grand Original Design (G.O.D.). The observable universe is created, it is not spontaneous as some atheistic physicist would have you to believe. Creation trumps spontaneity. I have amassed and unmasked concepts (here to fore) that have never been articulated. Physicist Michio Kaku and others ask in a video (How the universe Works). What was there before the big bang? What banged? Where did it bang? When did it bang? Why did it bang? Who banged it ? I want to know God s thoughts; the rest are details. -Albert Einstein My answers are as follows; I. What was before the Big Bang?-infinite singularities II. What banged? -two singularities III. Where did it bang? -in the center of our universe IV. When did it bang? - the first Planck tic of time V. Why?-so Souls could have a place to make choices VI. Who?-God, the creator of the Grand Original Design (G.O.D.) I do not want to get into the weeds with the complexity of the subject. I developed all concepts with high school mathematics and basic quantum and relativity principals. What I would like is to have readers buy into my view of the theory of everything through divine intervention and help get the word out for a paradigm shift away from spontaneity and more towards creation. The phrase When you want something, the whole world...
