Orbit: Stan Lee: The Ultimate Avenger (Paperback)

By -

TidalWave Productions, 2017. Paperback. Condition: New. Blackwell (illustrator). Language: English . Brand New Book ***** Print on Demand *****. Finally, the definitive illustrated bio of the controversial creator who reinvented the comic biz, Smilin Stan Lee. This detailed critical overview of Lee s life and career unflinchingly deals with still-open questions about who really created Marvel s best known characters; scripter Lee, or illustrators like Jack Kirby and Steve Ditko, who ve disputed their former boss recollections as to who deserves the most credit, not to mention compensation, the bulk of both having long since been claimed by Stan Lee. Written by pop culture historian and San Diego Reader columnist Jay Allen Sanford, this visual history of Marvel s eventual empire is bound to institute much discussion, and possibly contention, in both the comic industry and mainstream trade press. As featured on CNN, Time Magazine, People Magazine, LA Times, Forbes, and MSNBC! Orbit is a comic book biography series that focuses on the people that have made a difference in the world! Read about the world of Stan Lee in comic book form!.

Reviews

Very useful to any or all group of men and women. It is written in basic words instead of difficult to understand. I realized this ebook from my i and dad recommended this publication to understand.
