Warren A. Henderson, United States, 2011. Paperback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Have you wondered: What happens when someone dies? Is there a spiritual realm of bliss and peace in the afterlife? Is there a place that wicked people will be judged? What will I be like after death? Will I recognize loved ones after I die? please read on - life is too brief not to have such questions answered. We need not fear death, if we have properly prepared for eternity now. When it comes to the subject of afterlife, eternity is too long to be wrong. It is my earnest belief that Biblical Christianity best answers afterlife questions. The fact is that most of us will be dead a whole lot longer than we will be alive, so a few minutes spent contemplating this important subject now will be a good investment for eternity. - Warren Henderson.
