Texas Review Press, United States, 2012. Paperback. Condition: New. New. Language: English . Brand New Book. The poems in this collection inhabit an intimate landscape of basement bathrooms and neighborhood pools, places where the familiar becomes strange: a house burns on an empty highway; Jesus has his portrait made by a hobbyist painter in a linoleum-tiled room. These poems search out the unseen that exists behind the known, not to erase it by naming it, but to grapple with its presence and power, its effect on all that we can know and see.
