

A Monster Calls: Inspired by an Idea from Siobhan Dowd (Paperback)

Filesize: 5.78 MB

Reviews

This publication might be worthy of a read through, and superior to other. It normally is not going to charge excessive. Its been written in an remarkably simple way and is particularly just after i finished reading through this book through which in fact transformed me, alter the way i really believe.

(Juston Mraz)

Candlewick Press (MA), 2015. Paperback. Condition: New. Jim Kay (illustrator). Reprint. Language: English . Brand New Book. A new non-illustrated edition of Patrick Ness's Carnegie Medal winner--featuring an atmospheric cover by Jim Kay with an announcement of the upcoming film adaptation. The monster in Conor's backyard is not the one he's been expecting -- the one from the nightmare he's had every night since his mother started her treatments. This monster is ancient. And wild. And it wants something from Conor. It wants the truth. From the final idea of award-winning author Siobhan Dowd--whose premature death from cancer prevented her from writing it herself--Patrick Ness has spun a haunting and darkly funny novel of mischief, loss, and monsters both real and imagined. The multi-award-winning story is soon to be a major motion picture starring Liam Neeson, Felicity Jones, and Sigourney Weaver.
