Kcr Publishing, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Henry Caldwell was as lonely and sad as he had ever been in his life. After the death of his father in a car accident, he and his mother had to move to a new city for her to take a much needed job. Money was scarce, their rental house was small and cramped, and as the new kid in a new school he became the perfect target for the school bully. And to make matters worse, his Uncle Roger, a most unusual man, was coming for a visit. This beautifully written story that captures the highs and lows of being a kid, introduces a very powerful and transforming concept - love rocks. It all comes together in a touching and uplifting book with an inspiring message that will appeal as much to adults as kids.
