Reviews

Absolutely essential study book. It normally fails to price excessive. I realized this ebook from my dad and i encouraged this publication to find out.

Outskirts Press, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Whether you own a parrot, several parrots or are considering purchasing one of these fascinating creatures, you ll find something in this book that will be helpful. Everything you need to know about purchasing the right bird for you and your family, proper nutrition, emergency care, taming, training, including tricks and invaluable potty training. You will also learn about caging, bedding and toys, as well as tips on constructing your own aviary. I will tell you about toxic chemicals and toxic household products, plants and foods that you should never feed. Contains over 30 tried and true recipes that I have created for my feathered friends. I will teach you how to determine sex, breed and produce offspring, as well as the basics of selling birds as a small business, including licensing and contracts. I will give you advice on incubation procedures and weaning babies. I will talk about when veterinary care should be sought. I will even explain about organizations, such as bird clubs and what can they do for you, along with their benefits and possible pitfalls. If you follow these well laid out suggestions, your experience will be much more rewarding for you both. Let your parrot be healthy enough to out live you and be passed down through your family for generations.
