Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The houses were dark in the August night and the perspective of Beacon Street, with its double chain of lamps, was a foreshortened desert. The club on the hill alone, from its semi-cylindrical front, projected a glow upon the dusky vagueness of the Common, and as I passed it I heard in the hot stillness the click of a pair of billiard-balls. As every one was out of town perhaps the servants, in the extravagance of their leisure, were profaning the tables. The heat was insufferable and I thought with joy of the morrow, of the deck of the steamer, the freshening breeze, the sense of getting out to sea. I was even glad of what I had learned in the afternoon at the office of the company-that at the eleventh hour an old ship with a lower standard of speed had been put on in place of the vessel in which I had taken my passage. America was roasting, England might very well be stuffy, and a slow passage (which at that season of the year would probably also be a fine one) was a guarantee of ten or twelve days of fresh air.
