GAO discussed the Bureau of Indian Affairs (BIA) trust fund management, focusing on BIA efforts to: (1) reconcile its trust fund accounts; and (2) improve trust fund management. GAO noted that: (1) although the Department of the Interior and BIA have made progress toward improving trust fund management, long-standing management problems have impeded BIA ability to maintain proper control and accountability over individual Indian monies (IIM) accounts; (2) BIA progress in reconciling trust fund accounts and obtaining independent certification has been slow; (3) BIA reconciliation and certification contractors have nearly completed the first of eight major tribal reconciliations; (4) the Indian community has expressed concern over BIA trust fund accounting and the effectiveness of BIA investment practices; (5) BIA trust fund account balances lack credibility because BIA trust funds have never been properly reconciled and internal control systems are unreliable; (6) BIA continues to lack adequate strategic planning, staff and training, trust fund management policies and procedures, and accounting and reporting systems; and (7) Interior and BIA need to reevaluate Indian Trust Fund program objectives and management principles so that individual accounts can be timely reconciled, certified, and resolved.
