These books will make some people smile, some Laugh, some will agree, some will disagree, some might cry and some will think I am crazy. The purpose is to make people think about what is happening in our government. It doesnt matter whether you are a Democrat or Republican; make sure that your candidate is looking out for the people of your district. Remember it should be We the People, By the People and For the People and if your Representatives do not understand that then dont vote for them. Your vote really does matter. It doesnt matter which side of the isle you vote on. Both sides play these games. Hopefully then we can get a few quality people back in Washington who actually vote what their districts really want. Politics is about open ideas and cooperation anyway.
