Brand New Book ***** Print on Demand *****.This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1875 edition. Excerpt: .have been demarcated, and the people Jhuming. been enjoined that nothing but permanent cultivation within the marked area will be permitted, and that if they want to jhiim, they must do this outside the reserves. In the Lower Jiri reserve, there is especially great danger of j burning, on account of the proximity of Lakhipur and numerous smaller villages; but strict inj unctions have been given that they must confine j burning to the western slopes (those nearest their villages) of the Ramphan range, and on no account cross the ridge into the reserve. Yield and Working. 123. No timber operations are carried on by Government agency in the Cachar forest division for the present, but the license system formerly in vogue has been continued, and toll is levied at the rates quoted in para. 60 of last Annual Forest Report on timber and...
