

The Gentlemen's Book of Etiquette and Manual of Politeness

Filesize: 9.4 MB

Reviews

This written book is great. I am quite late in start reading this one, but better then never. You will not really feel monotony at at any moment of your time (that's what catalogues are for about when you check with me).

Hesperus Press Ltd. Paperback. Book Condition: new. BRAND NEW, The Gentlemen's Book of Etiquette and Manual of Politeness, Cecil B. Hartley, Ever wondered what to do in polite society if you find an insect in your food? Or how a gentleman should ask a lady to dance? And what on earth is the etiquette for smoking cigars? First published in 1860, Cecil B. Hartley's classic guide to gentlemanly behaviour is a veritable mine of information and indispensable advice for aspiring gentlemen. No matter if a man finds himself at a party, meeting someone new or travelling abroad, he has but to leaf through this book to learn how best to behave, and indeed how not to behave. And if he can find time between his numerous invitations to balls and hunting parties, he could benefit from a perusal of the sections on gentlemanly deportment and conversational technique. Not forgetting, of course, the all-important advice on how to treat ladies, surely an integral part of any true gentleman's training. Published here in a stunning edition alongside The Ladies' Book of Etiquette, this is the perfect gift for the would-be gentleman in your life. While it's an excellent volume for dipping into for hilarious nuggets of outdated advice, this guide also contains advice on all manner of topics, from beard-keeping to chivalry, that are just as relevant today as they were in Cecil B. Hartley's time. As he says himself: 'Once a gentleman always a gentleman' and be sure that you can so carry out the rule, that in your most careless, joyous moments, when freest from the restraints of etiquette, you can still be recognizable as a gentleman by every act, word, or look.
