

## Competing in a Service Economy: How to Create a Competitive Advantage Through Service Development and Innovation (Paperback)

By Michael D. Johnson, Anders Gustafsson

John Wiley and Sons Ltd, United Kingdom, 2008. Paperback. Condition: New. Revised ed.. Language: English . Brand New Book. Competing in a Service Economy is a hands-on guide to creating services, with illustrative examples from service-oriented companies including Disney, Ericsson, IKEA, National Association of Convenience Stores, Ritz Carlton, Scandinavian Airline Systems, Sterling Pulp Chemicals, and Telia Mobile. This practical resource for executives, general managers, and managers in marketing, operations, and human resources reveals how to gain a competitive advantage by creating and implementing a strategic plan that will ultimately improve their organization's services. Written by the authors of the best-selling book *Improving Customer Satisfaction, Loyalty, and Profit*, this important new book will help business professionals to think and plan strategically to dramatically improve services, service development, and service innovation within their organizations.

### Reviews

*This ebook is very gripping and exciting. It is one of the most amazing books we have studied. It has been printed in a remarkably easy way and it is only after finishing reading this book that I really transformed me, affected the way I think.*

*Merely no words to spell out. I am quite late in starting reading this one, but better than never. I am happy to explain how this is actually the very best publication we have gone through within my personal daily life and can be the best ebook for at any time.*

-- **Althea Christiansen**
