## TOWARD A SCIENCE OF DISTRIBUTED LEARNING (HARDBACK)

American Psychological Association, United States, 2007. Hardback. Condition: New. Language: English . Brand New Book. Technological advances and organizational changes in the modern workplace have created an unprecedented and continuous demand for training. Simultaneously, the technology for delivering training has advanced rapidly, so that traditional classroom approaches are being replaced by distance learning. In distributed learning and training, which are now prevalent in industry, academia, and the government, students can be separated by both time and space. The increased use...
