Brand New Book ***** Print on Demand *****.Excerpt from Correspondence With Mr. Mason: Respecting Blockade, and Recognition of the Confederate States My Lord, On the 17th February last, I had the honour to submit to your Lordship a printed list of vessels entered and cleared at ports in the Island of Cuba, from and to certain of the blockaded ports of the Confederate States of America, up to the month of December, 1861, inclusive; and in my letter accompanying the list, I stated that they were sent to me from Havana, and were taken from official documents there by a gentleman of intelligence and integrity, well known to me, and worthy of entire reliance. I have now the honour of submitting to your Lordship like printed lists, taken from the same official sources, of vessels from certain of the blockaded ports of the Confederate States, which with their respective cargoes entered the ports of Havana and Matanzas in Cuba, for the months of January and February in the present year. These list came by the last West Indian mail, were sent to me by the gentleman above referred to, and are entitled to full credit. They show that in January and February last ten vessels from New Orleans and six from Mobile had entered the ports indicated in Cuba, making with those of others from the blockaded ports in all twenty-five vessels, not prevented by the alleged blockade from successful ventures to a foreign port.
