This publication may be worth purchasing. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

When Michael, another Angel, tries to stop her, the body count starts to rise as Helen begins to take fierce and bloody revenge on her killers - but in doing so she learns the true reason for her murder and the truth about her killer, discovering an Angelic conspiracy that dates back to the Bible. Will she succeed? Will God allow her to gain vengeance? Or is the Angel Michael right about her true purpose? What is the Voodoo connection between the Catholic Church - and the Bloodline of Jesus Christ?
