According to the dictionary, a park is a bounded area set aside for recreation, but that sounds both boring and silly. We all know that parks can be great fun - for relaxation and good times, places where you can get away from the outside world, if just for a minute. In five entertaining chapters, this book will give you ideas on how you can create your best parklife. Eat and drink - picnic, BBQ s and more food fun. Nature - birds and bees, a park is nothing but a small forest. Sport and Games - fun stuff to do. Exercise - one, two, three, four! Kids and dogs - bring the little ones.
