

Switched Networks Course Booklet

By Cisco Networking Academy

Cisco Systems Dez 2013, 2013. Taschenbuch. Book Condition: Neu. 277x187x17 mm. Neuware - Switched Networks is the first course of the updated CCNA v5 curriculum offered by the Cisco Networking Academy. This course is intended for students who are beginners in networking and pursuing a less technical career. The Switched Networks Course Booklet offers a new way for students enrolled in a Cisco Networking Academy introduction to Networking course to easily read, highlight, and review on the go, wherever the Internet is not available. The text is extracted directly from the online course, with headings that have exact page correlations to the online course. An icon system directs the reader to the online course to take full advantage of the images, labs, Packet Tracer activities, and dynamic Flash-based activities. The books are intended to be used with the course. 250 pp. Englisch.

Reviews

It is one of the most popular publications. It really is filled with knowledge and wisdom. It has been designed in an exceedingly straightforward way and it is merely soon after I finished reading this PDF by which it actually transformed me, affecting the way in my opinion.

-- Gerardo Rath

Comprehensive manual! It's such an excellent read-through. I have read and I am also confident that I am going to study once more once again in the future. Your life period will be changed when you totally look over this ebook.
