

## Mouse Code

By Joel Howard Thurtell

Hardalee Press, United States, 2012. Paperback. Book Condition: New. 211 x 137 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Come with award-winning newspaper reporter, author and ham radio operator Joel Thurtell as he spins the tale of how mice invented radio to save themselves and their friends the moles, voles, shrews, groundhogs, badgers and yes, even a blue racer, from death by development. Humans are plowing up meadows and bulldozing trees so they can build houses, shopping centers, gas stations and all kinds of human constructions that displace wildlife. Enter Hannibal, the wise old field mouse who engineers a system to warn the animals of dangerous human activity. Hannibal s disciple, Arthur Mouse, is Hannibal s loyal foot soldier. At great danger from hawks, snakes, owls and a cat, Arthur steals books and materials from a ham radio operator so the mice can learn how to build their early warning radios. MOUSE CODE is aimed at entertaining both through its unique, exciting story and by offering young people Morse Code as a secret language for talking among themselves. Says veteran ham operator George Petrides Sr., One test of a story I have always liked is to...
