Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Does Japan Menace the United States? Far Eastern policy is somewhat apprehended by the Japanese. In short, his articles are not only misleading but they are so insinuatingly presented to the American public that Mr. Rea cannot purge himself from purposely attempting to create a bad feeling between the two countries. For the purpose of enlightening the American public, therefore, I shall endeavor to expose Mr. Rea's way of writing and show clearly how baseless are his contentions and charges against the Japanese. In other words, the purpose of this article is, by exposing points where he shuts his eyes, to lay the facts quoted by him and on which his contentions and charges against the Japanese are based before the American public in their true light so that they might have a fair chance to pass over their judgment on Japan's attitude toward America. 1. Mr. Rea says to the effect that Count Okuma's warning given to the Japanese public when the National Defence Board was organized in 1914 - To know one's enemy and to know one's self is a strategical maxim that should always be acted upon - is specifically against the United States. In quoting the September, 1914 number of the Japan Magazine to verify his contention, Mr. Rea omits the Japan has no real enemy in the West. Her nearest possible enemies are those oriental nations who retard the march of modern progress and invite western aggression. For this reason the greatest danger lies at Japan's door in China. Japan must keep her defenses up to a standard that will enable her to become arbiter in Chinese affairs...
