FOREX TRADING NEVER DISCLOSED PREVIOUSLY SHOCKING SECRETS REVEALED RAKING YOU MILLIONS-BUY NOW! (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Wow, have you felt, living under a constant information overload waterfall? This is how it usually starts, you wake up in the morning and check the email in your phone, which leads you to a email with a link of an article, and then the article sends you to a couple more place, sand it never ends. See, I ve been there. Book after book, course after course, then up to the latest and greatest webinar and to even better article from A guru. Day, after day, week after week, the cycle is viscous. See, in Forex there is no golden grail, there is no secret path. Everything that there was to be, has already happened. The only question I have is, whose advice are you following? Are you following experienced traders, that are really trading their systems, or you are following the big heads on TV and the people with the big book. See the material that you are about to read, is a NO BS hard core to the bone content. NO fillers, no 40 pages on the current economic conditions. See, what the big heads are not telling you is that Forex is a huge market, but it is not controlled and centralized. As far as you are concerned Forex is as big as your broker. And if your broker is not a price maker, which is in most of the cases, you are ready to be slaughtered in the daily news events or any other tricks the broker will play on you. See before I continue, you need to know something, you need to stop the chase of the golden calf and anchor on a...
