An extremely wonderful ebook with lucid and perfect explanations. I was able to comprehend almost everything using this composed e publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

Troubador Publishing, United Kingdom, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Have you ever dived into a mountain lake, in February? You might ask Why would I do that? - but you know in your heart that there is a friend of yours who wouldn't be able to resist. It just seemed like a good idea, they'd say. Have you ever been afraid of being chased by a gunboat? It can happen in the Sacramento Delta not far from San Francisco! Can you light a barbecue with diesel fuel? Dave can! What do you do if you run aground in your boat? It's all about saving face, particularly if you belong to the local Yacht Club. Sailing presents its own challenges and for Dave and Christopher there can only be one outcome! Did you know there are alternative uses for oven cleaner? Want to discuss the viscosity of water? There's a bar called The Hitchin Post in Norwood, Colorado - maybe the answer is there. Who hasn't experienced an IWOT moment? Dave and Christopher lived for them. Dave and Christopher were two thirty something divorcees in the 1980s whose friendship resulted in adventures across California and even extended to Colorado. Their adventures invariably ended badly or, more often, embarrassingly - usually for Christopher. Follow them on a ten year odyssey that took them through spontaneous purchases of boats to trucks, motorcycles and even furniture, none of which went smoothly. Throughout it all, one thing can be guaranteed; neither of our heroes ever spilled a drink! EndFragment.
