Share ownership is for everyone. Whether you invest in the stockmarkets through collective funds such as unit trusts and insurance funds or directly in equities and bonds, the basic decisions you need to make are the same. With the demise of the Welfare State, seasoned investors and novices alike must address key areas such as pensions, mortgages and further education for our children. There is no magic one-size-fits-all solution but despite what the cynics say, a little knowledge goes a very long way towards avoiding expensive mistakes. 320 pp. Englisch.
