Settling into college is easy, settling into a relationship is another story! Jenny Jeffries loves her first year of college: the late nights in the dorms, the parties, and the freedom that comes with being away from home for the first time. The girls who flirt with her are nice too, except she cant work up the courage to actually talk to any of them. Just standing next to an attractive female causes Jennys brain to shut down, which means that shes still single. When Beth Kirkland, the star forward for the universitys womens soccer team, uses the same drive she has on the soccer field to get Jennys attention, Jenny turns to her friends for help. She gets advice from her best friend, who is in a committed relationship with Jennys one-time worst enemy, and another friend looking for the perfect guy among a sea of lesbians. She gets lots of advice, some better than others. Has Jenny finally found the relationship shes always been looking for Or will forces outside of their control end their romance before it can even begin This item ships from La Vergne, TN.
