## The Life Engineered (Paperback)

By Jf Dubeau

Sword Laser, 2016. Paperback. Condition: New. Language: English . Brand New Book. J-F. Dubeau s The Life Engineered is a real page turner for anyone interested in science fiction and good literature. It brought a smile to my face as some passages made me reminisce of my own time spent aboard Galactica as a Raptor pilot! -- Leah Cairns, Battlestar Galactica and Interstellar JF Dubeau s debut novel, The Life Engineered begins in the year 3594, where humanity is little more than a memory--a legend of the distant past destined to reappear. Capeks, a race of artificial creatures originally created by humans, have inherited the galaxy and formed a utopian civilization built on the shared goal of tirelessly working to prepare for their makers return. One moment a cop dying in the line of duty in Boston, the next reborn as a Capek, Dagir must find her place in this intricate society. That vaguely remembered death was but the last of hundreds of simulated lives, distilling her current personality. A robot built for rescue and repair, she finds her abilities tested immediately after her awakening when the large, sentient facility that created her is destroyed, marking the only instance of...
