Hewitt, Alexander Colby, Highlighting the undeniable charisma of the walking dead, this outrageous self-help guide explores the myth of the zombie sex appeal, investigating what makes these tattered, brain-ravenous creatures so alluring. Advice from an actual "zombie whisperer" promises to release the average guy's inner undead in one week, teaching him how to dress, groom, exercise, eat, date, decorate, and shamble just like a real zombie, truly living the lifestyle that his friends will envy and admire. Acknowledging that one's family may not understand the repulsive diet, tattered clothes, or foul odors, these pointers contend that sacrifices for popularity and seductiveness are all part of the program. Whether preparing for the zombie apocalypse, blending in after the devastation, or finding a whole other level of charm, this guide contains the essentials for acquiring that debonair, decomposing chic and mystique.
