

## Eyewitness DVD: Prehistoric Life

By DK Publishing

DK Publishing (Dorling Kindersley), 2009. DVD video. Condition: New. Language: English . Brand New Book. Prehistoric Life effectively guides the viewer through the four and a half billion years before we first walked upright. On this exciting journey through time, you will learn how the oceans were created, when plant life was joined on land by the first amphibians and reptiles, and how life forms such as the dinosaurs were taken out by global extinctions.

*Very useful to all category of men and women. I actually have study and i also am certain that i am going to going to read through again once more down the road. Its been written in an exceptionally simple way and is particularly only soon after i finished reading this publication by which basically altered me, modify the way in my opinion.*
